**The COLE NURSERY Co.**

*"Everything That's Good and Hardy"*

Phone Elmwood 2-3121

Painesville, Ohio

*Cole's* **SPRING TRADE LIST 1881 - 1954**

## TERMS and CONDITIONS OF SALE

**PRICES** are F. O. B. nursery at Painesville, Ohio. Any boxing or balling necessary is charged at near cost. Prices in this list are subject to market changes and cancel those in all previous price lists.

**TERMS.** 1% 10 days; net 30 days to those having established credit with us. Cash orders receive 2% off. Be sure to include enough to cover packing, so as to eliminate C. O. D. costs. Overpayments returned promptly. C. O. D. orders must be accompanied by at least

1/3 of the amount of the order.

**CLAIMS** for rejections, shortages, or other reason will be entertained only if made within 5 days after arrival of goods.

**GUARANTEE.** We guarantee all stock to be true-to-name and free of injurious insects or disease. All goods travel at consignee's risk; we assume no responsibility after they leave the nursery. It is mutually agreed that in no case shall we be held liable for a greater amount than the purchase price of any item.

**SHIPMENTS.** Please state routing of your shipments and method you prefer. Where no instructions are given, we will ship according to the situation, as we think best serves your interest.

## Prices For Boxing and Packing

	Per Ft. over 6 Feet	Per Ft. 6 Feet and Less
30 x 30 .....	\$0.80	\$0.85

**"MORaine THORNLESS HONEYLOCUST"**

Plant Patent No. 836

New tree sensation. Round-headed when young, but tall and vase shaped when older. Rapid grower. Clean—no seed pods or thorns. Hardy and thrives under city conditions in any soil. Insect and disease-resistant. All individually stalked to provide straightest stems possible.

**COLE'S NEW SUNBURST\* LOCUST**

Patent Pending

**(Gleditsia triacanthos inermis aurea)**

Pictured on cover

The greatest new tree since Crimson King Maple. Brightest golden-bronze foliage of any plant we know. Completely free of thorns and is even more resistant to insects than Common Honeylocust. Tree is well-formed, symmetrical and broadly pyramidal with excellent spreading branching habit. Sunburst's brilliant coloring is limited to 8 or 10 inches of branch tips. Here is a colored plant that won't be objectionable in any landscape.

250 plants sold at 1000 (M) rate.

### TESTED MAIL ORDER SPECIALTIES

We have spent years developing some of these plants for mail order sales. A. B. Morse Company can furnish cuts of every one. They were top sellers for us, and are making **profits** for nurseries listing them today. Some are sold out for this year, but we're quoting for next fall and spring.

**COLE'S TRUEHEDGE COLUMNBERRY**  
*Berberis thunbergii erecta*

Extremely compact, columnar form — valuable for narrow hedges, formal specimens, window boxes, etc. Requires a minimum of care. Glossy dense foliage turns red uniformly in autumn. Can be held to 1 foot or will grow to 3 feet tall.

### SALES YARD — POTTED EVERGREENS

#### Mail Order Sizes

Junior size Evergreens and Evergreen Shrubs are finding ready acceptance in cans or Cloverset Pots. Cole's plants are made to order for this trade. Our more particular customers order the top part of the grade at 33 1/3% additional.

### POTTED ROSES

By experience, our customers invariably find Cole's "Vitality Packed" number 1½ Roses produce, when potted, to great satisfaction. In fact fully up to that of ordinary number 1 plants. We suggest that you affect this saving.

Truehedge Columnberry in field rows. Plants in foreground were sheared once for this picture. Truehedge is still unsurpassed for a neat, formal deciduous hedge. Prices on page 13.

# BALLING SCHEDULE

In this catalog where ball sizes are shown, viz., (15" Ball), etc. this is the approximate size supplied. If larger or smaller balls are required, charge will be adjusted to conform to following schedule.

Where balling is shown as "Extra" or where balls are required on shrubs, trees, and plants not catalogued "Balled (B&B)", add to listed price according to the following schedule.

## SHRUBS — FLOWERING TREES

68 x 34"	6500	7½ to 8 "	138.00	126.00	115.00	105.00

Ball sizes, weights, etc. are only approximate as varieties and soil cause them to vary.

Prices include loading on trucks. Car loading on "Tree" sizes entails extra costs.

Platforms, if required, will be charged extra.

## *An Invitation*

You're always welcome at Cole's new home. We are located East of Cleveland, halfway between Mentor and Painesville, on Jackson street. U. S. Route 20 passes 1 block south of our office.

## TEUCRIUM – MIDGET HEDGE

(*Teucrium chamaedrys* - Germander)

Dense, glossy green foliage that resembles dwarf Boxwood. Shiny, dark green leaves usually last all winter here and green up quickly in the spring. Can be sheared to heights of 12 inches or under. Aromatic, bright lavender-pink flowers in late summer. Excellent for edging pools, beds and walks. **Sturdy, 2-year, field plants, 25 or more 18c each; 200 or more 16c each.**

**Teucrium Chamaedrys**

*Cole's*  
**Dwarf ROSE GOLD**  
**PUSSY WILLOW**  
(*Salix gracilistyla*)

Top-selling mail order plant, and a fine subject for bank planting. Huge catkins progress from silver-gray to silvery pink, then rosy pink dotted with hundreds of bright yellow stamens; last for weeks. Low mounded plant to 4 feet with soft, silvery foliage, never gets leggy. Stock limited for spring; many available next season. See page 20 for price.

*Assured  
Profits with  
These Novelties*

*Glowing Red*  
**ASTILBE FANAL**

Another mail order item that sells itself. Potted, it moves well on sales lots. Red spikes, 15 to 20 inches tall, for a long period in early summer. Foliage bronzy, divided, very compact. Fine florists' forcing and cut item. **Undivided, 3 to 6 eye clumps, 25 or more, 30c each; 250 or more, 28c each.**
